Planning Board

William Albrecht, <i>Chairman</i>	
William Fadden	Carol Lowden
Vincent Osgood	Frank McNamara
Scott Rice	
Bonnie Ham, <i>Selectmen Member</i>	

MINUTES OF TOWN MEETING
Woodstock, New Hampshire
March 8, 1988

— — — — —

The meeting was called to order at 10:00 A.M. by D. Kenneth Chapman, Moderator. A motion was made by Dan Barry to dispense with the reading of the entire warrant, seconded by Bonnie Ham. Affirmative vote-unanimous.

The moderator then opened the polls for voting, polls closed at 6:00 p.m.

The moderator called to order the business meeting at approximately 8:00 p.m., being delayed as there were 266 voters and the ballot clerks had not finished counting the ballots. He noted the rules to be followed: no one is allowed to speak unless recognized by the Moderator; speaker must stand and identify himself, and in order to speak one must be a registered voter, unless the meeting gives permission for anyone to speak. Articles may be re-introduced only immediately after a vote is taken on an article. These are rules requested for tonight's meeting and a motion was asked for to accept rules as stated. So moved by Warren Priest, seconded by John Mitchell.

Article #1 To choose all necessary Town officers for the year ensuing:

Selectman for Three Years:

Norman B. Fadden	50 Votes
Wilfred Ayotte	2 Votes
Francis P. McCarron	208 Votes
Judith Boyle	1 Vote
	261 Votes

Town Clerk for Three Years:

Deanna MacKay	235 Votes
Barbara Avery	2 Votes
Francis McCarron	1 Vote
Judith Boyle	1 Vote
Eileen Rice	1 Vote
Fred Lee	1 Vote
Debra Andrews	1 Vote

Patricia Timbury	1 Vote
Irene Ayotte	1 Vote

 244 Votes

Tax Collector for Three Years:

Deanna MacKay	235 Votes
Evelyn Gagnon	1 Vote
Barbara Avery	2 Votes

 36 Votes

Article #2 To see if the Town will vote to raise and appropriate the sum not to exceed One Hundred Eighty Thousand Dollars (\$180,000.00) for the purpose of construction of a second well in the Town's present well field, such sum to be raised by the issuance of serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act, N.H. RSA 33:1 et seq., as amended; to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. A motion was made by Bill Albrecht that we move over Article 2 and consider Article 3 and then come back to Article 2 after Article 3 had been voted on. After Article 3 had been voted on, the following action was taken on Article 2. Article 2, so moved by Charles Harrington, seconded by Wilfred Ayotte. Henry Coburn questioned why we need a new well. Stan Hilliard explained that the Selectmen and the Water Department felt we needed the new well because there are times that we are presently pumping 23 hours a day to keep our tank filled and we have no auxiliary well to put on line, and we should have another well to put on line while we are making repairs to the existing well; and that our engineer, Ed Betz, was here to supply any information the meeting requested. Andre Desjardins requested that Mr. Betz speak. Mr. Betz explained that the existing well is 12 inches in diameter, is naturally developed, and has a 480 gallon per minute pump in there; that it is estimated that the demand will be 550 gallons per minute in the very near future, which will exceed the 480 gallons per minute if you pump 24 hours a day. If you put a larger pump in the present well it will draw in fine materials and clog up the screens because it is a naturally developed well. What is being proposed is a gravel packed well, estimated to be \$45,000.00, also a submersible pump that cost \$12,000.00, and a pump station with corrosion control, chemical feed system and connection to existing 12 inch main. Bob Bujeaud asked if this included an emergency generator for the second pump station, or will it operate off the generator at the existing well.

Mr. Betz said it did not, but felt that there was a healthy contingency figured in the \$180,000.00 figure and the Selectmen may consider doing this. The polls opened at 8:35 for a secret written ballot and closed at 9:50. Affirmative vote, with $\frac{2}{3}$ majority vote, Yes-106; No-29.

Article #3 To see if the Town will vote to raise and appropriate the sum not to exceed Three Hundred Thousand Dollars (\$300,000.00) for construction of a new Town Office Building, such sum to be raised by the issuance of serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act, N.H. RSA 33.1 et seq., as amended; to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. So moved by Bill Albrecht, seconded by Bruce Chase. Wilfred Ayotte asked where the building would be located. Deanna MacKay explained that the Town purchased $2\frac{1}{2}$ acres on Lost River Road, that the Building Committee had no plans to present as they had no money to hire an architect to draw up some plans. Bill Albrecht explained that it would be approximately 6000 square feet, that the committee had talked to a local contractor to get a figure for Budget purposes. The polls opened at 8:08 p.m. for a secret written ballot and closed at 9:22 p.m. The Article was defeated, Yes-90; No-48, not a $\frac{2}{3}$ majority. Bill Mellett made a motion to reconsider, seconded by Paula Boyle, affirmative vote. Moderator D. Kenneth Chapman ruled that there would be no further discussion on the Article and that we were ready to vote again. This was challenged by Deanna MacKay, Town Clerk. Bill Mellett made a motion to overrule the Moderator and allow discussion on this article, seconded by Jennifer Mellett, affirmative vote. Further discussion followed concerning the need for a new building, the need for handicap access, the need for more space to work in. The land is not shaped so that a Fire Station could be located there also. Polls opened at 9:50 p.m. for a secret written ballot, and closed at 11:10 p.m. Affirmative vote, Yes-105; No-34.

Article #4 To see if the Town will vote to authorize the Selectmen to sell property taken on tax titles. So moved by Charles Harrington, seconded by Edith Chaisson. Bill Mellett made a motion

to amend this article and add the following: "and further authorize the Selectmen to sell any other personal property owned by the Town which is no longer used for municipal purposes and in every instance sale shall be by public auction or advertised sealed bid." Seconded by Bill Albrecht. Steven Hall questioned whether it was proper to include these two subjects in the same article in the Town Warrant. Moderator Chapman ruled that he found them compatible, as the intent is to add the process by which these articles may be sold. Vote on amendment, affirmative, unanimous. A vote was then taken on the amended article which was as follows: To see if the Town will vote to authorize the Selectmen to sell property taken on tax titles and further to authorize the Selectmen to sell any other personal property owned by the Town which is no longer used for Municipal purposes, in every instance sale shall be by public auction or advertised sealed bids. Vote in the affirmative, unanimous.

Article #5 To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes. So moved by Warren Priest, seconded by Dan Barry. Affirmative vote, few opposed.

Article #6 To see if the Town will vote to authorize the Tax Collector to receive part payments in any year in the sum of Ten Dollars (\$10.00) or a multiple of ten. So moved by Bill Albrecht, seconded by Ernie Holtzman. Affirmative vote, unanimous.

Article #7 "Shall we adopt the provisions of RSA 80:58-86 for a real estate tax lien procedure? These statutes provide that tax sales to private individuals for non-payment of property taxes on real estate are replaced with a real estate tax lien procedure under which only a Municipality or County where the property is located or the State may acquire a tax lien against land and buildings for unpaid taxes." So moved by Bill Mellett, seconded by Bob Bujeaud. Tax Collector, Deanna MacKay, answered a few questions concerning the procedure. Vote by secret written ballot, affirmative vote, Yes-110; No-7.

Article #8 "Shall we adopt the provisions of RSA 72:1-C which authorize any Town or City to elect not to assess, levy and collect a resident tax?" So moved by Marcia Cousineau, seconded by Paul Gilman. Affirmative vote, unanimous.

Article #9 To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by

Town Meeting, money from the State, Federal or other governmental unit or private source that may become available during the fiscal year, in compliance with RSA 31-95-b (Supp.) So moved by John Mitchell, seconded by Dan Barry. Affirmative vote, unanimous.

Article #10 To see if the Town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relating to playing beano in the Town of Woodstock, and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relative to playing games of beano, be adopted in the Town?" Vote by ballot, Yes-162; No-68.

The Moderator then said he did not know a proper place to bring up for discussion votes that were not properly warned. Today on the ballot were four questions having to do with zoning provisions; according to the Secretary of State, it was a major blunder not to put the articles pertaining to the zoning questions in the warrant. RSA 39:2 reads as follows: the subject matter of all business to be acted upon at the Town Meeting shall be distinctly stated in the warrant and nothing done at any meeting, except the election of any Town Officers, which are required by law to be made at such meeting, shall be valid unless the subject thereof is so stated; it goes on to say that if it involves money you can change it up to the amount as provided for by law. He said the Moderator has the authority and the delegation responsible to declare articles illegal if he finds that articles cannot be voted on properly. His action or non-action is subject to be reversed by a vote of the Town. It is his inclination to declare that the four questions that were voted on today were illegal. It is not a legal vote because it was not a properly warned vote. On the advice of the Secretary of State's Office, he announced the tally of the vote with a question as to its legality. This is not a 100% certainty as there is a mixed feeling both by the Municipal Association attorney and other attorneys that the Town has dealt with and to whom he had been speaking today. The Secretary of State said the vote could be challenged regardless of the outcome. Steve Blum of New Hampshire Municipal Association said if we had an opinion written by the Town Attorney stating that the vote would be considered legal and that we had been properly notified by the written notification that was mailed out to everyone last week, that perhaps that was enough, due to the fact that the ballot had been posted with the warrant, perhaps to make it legal. Bart Mayer,

another attorney, asked if people were aware of what they were voting on and perhaps the turnout this day was an indication that they were. He feels that if there were substantial compliance with the law that perhaps the vote is valid. But he had certain reservations on the question of legality and accepting the vote as passed or not passed. He then read the totals:

Are you in favor of the adoption of Article I through Article IV of the proposed zoning ordinance as proposed by the Planning Board? (Purpose, title, etc.) Yes-103; No-133.

Are you in favor of the adoption of Article V and VI through Section C of the proposed zoning ordinance as proposed by the Planning Board? (Districts except Flood Plain) Yes-90; No-140.

Are you in favor of the adoption of Article VI, Section D of the proposed zoning ordinance as proposed by the Planning Board? (Flood Plain District) Yes-103; No-129.

Are you in favor of the adoption of Article VII through Article XVI on the proposed zoning ordinance as proposed by the Planning Board? (General Provisions, Parking, Building Height, Set-back, Lot Coverage, Minimum Lot Size, Sewerage Disposal, Signs, Non-Conforming Use, Cluster Development, Administration, Existing Ordinances, Board of Adjustment, Amendments, Saving Clause, When Effective and Definitions.) Yes-106; No-131.

'In his opinion the vote was not a legal vote. He offered it to the voters for their consideration.

Article #11 To see if the Town will authorize the Selectmen to sell .07 acres of land, located on the westerly side of Gray Hill Road, to Richard and Debra Andrews for the sum of \$300.00 (by petition). Debra Andrews explained that the property is located next to her land and, among other things, has a Town water line through the property, thus it is not a buildable piece of land. Bill Mellett explained that he opposes the sale of this land as he does not feel that the Town should sell any land. But most important is the Town Water Line, it is located on land the Town owns and it doesn't make much sense to spend \$75,000.00 two or three years from now to move the water line, when we sold the land for \$300.00. Wilfred Ayotte said there is already a line going up Grey Hill and the Town could go across the road and tap that main. Bob Keating pointed out that, among other things, we could keep an easement for the water line. Article defeated; Yes-46; No-60.

Article #12 “To see if the Town will vote to authorize purchase by the United States Forest Service, for addition to the White Mountain National Forest, of 30 acres presently owned by Louisa Stratton, bounded by Mirror Lake to the southwest, by National Forest land to the southeast, by Interstate 93 to the east, and by private land to the north and northwest, to help protect Mirror Lake’s scenic beauty and scientific value for continuing research purposes in conjunction with the Hubbard Brook Experimental Forest.” (by petition) So moved by Dan Gorton, seconded by Alan Berman. A discussion followed concerning why the Town had to vote on this, the loss of revenue to the Town, and the amount of land the Federal Government already owns in the Town of Woodstock. A petition was given to the Moderator prior to the meeting for a secret written ballot. Affirmative vote-Yes-96; No-35.

Article #13 To see if the Town will vote to authorize the Selectmen to request an audit by a private certified accounting firm. So moved by Peter Miller, seconded by Sebastian Benza. Affirmative vote-unanimous.

Article #14 To see if the Town will vote to create and establish a General Fund Trust, as provided for in N.H. RSA 31:19-a, for the purpose of Cemetery maintenance; this is an expendable trust, and further authorize the Trustees of the Trust Fund to transfer the amount of Three Thousand Dollars (\$3,000.00) from the existing Trust Fund established under Article 12 of Town Meeting, 1984. So moved by Donna Gorton, seconded by William Mellett. Affirmative vote-unanimous.

Article #15 To see if the Town will vote to create and establish a Capital Reserve Fund for the purpose of Cemetery Land acquisition as provided for in RSA 35:1, and further authorize the Trustees of the Trust Funds to transfer the sum of Five Thousand Seven Hundred Fifty Dollars (\$5,750.00), or whatever the fund has appreciated to at the time of transfer, from the existing Trust Fund established under Article 12 of Town Meeting, 1984. So moved by Bill Albrecht, seconded by William Mellett. Affirmative vote-unanimous.

Article #16 To see if the Town will vote to create and establish a Highway Department Vehicle Acquisition Capital Reserve Fund under the provisions of RSA 35:1, further to appoint the Selectmen as agents authorized to withdraw monies from the Fund for the purposes of the Fund. So moved by Bill Mellett, seconded by Sebastian Benza. Affirmative vote-unanimous.

Article #17 To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to be placed in the Highway Department Vehicle Acquisition Capital Reserve Fund. So moved by Dan Gorton, seconded by Sebastian Benza. Affirmative vote-unanimous.

Article #18 To see if the Town will vote to create and establish a Fire Department Vehicle Acquisition Capital Reserve Fund under the provisions of RSA 35:1, further to appoint the Selectmen as agents authorized to withdraw monies from the Fund for the purposes of the Fund. So moved by Bill Albrecht, seconded by Wilfred Ayotte. Affirmative vote-unanimous.

Article #19 To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Two Hundred Eighty-eight Dollars (\$50,288.00) to be placed in the Fire Department Vehicle Acquisition Capital Reserve Fund, said sum to be raised as follows: Forty Five Thousand Two Hundred Eighty-eight Dollars (\$45,288.00), or whatever the amount has appreciated to at the time of the transfer, to be transferred from the existing Vehicle Replacement Capital Reserve Fund and Five Thousand Dollars (\$5,000.00) to be raised by Town Meeting, 1988. So moved by Sebastian Benza, seconded by Vincent Osgood. Affirmative vote-unanimous.

Article #20 To see if the Town will vote to raise and appropriate the sum of Forty Two Thousand Dollars (\$42,000.00) for the purchase of a Tank Truck for the Fire Department, said sum to be withdrawn from the Fire Department Vehicle Acquisition Capital Reserve Fund. So moved by Sebastian Benza, seconded by Mary Ganey. Affirmative vote-unanimous.

Article #21 To see if the Town will vote to authorize the Selectmen to adopt rules, including the imposition of fees, for the operation and use of the Lincoln-Woodstock Solid Waste Facility. Such rules shall be jointly adopted with the Lincoln Selectmen. Bonnie Ham explained that we have a 9 year old intergovernmental agreement that the Selectmen want to update. There is some language in it that is no longer apropos to what is being done. The Selectmen are not proposing to change the general rules as far as the sharing of operating cost or capital cost or the hours of operation. The Selectmen just want the ability to impose fees, tipping fees, or any such fees that the Selectmen feel are necessary. Under the present agreement there is no

language whatsoever that addresses the imposition of fees. This does not mean that the Selectmen are going to go out tomorrow and adopt them, but this would give them the authority to charge a fee if they wish.

A question was asked if we are talking household rubbish or commercial waste? Bonnie explained that they did not want to get into charging 50¢ a garbage bag or trash that comes in a person's trunk; nothing of that nature is intended, but we have a lot of materials around that are hard to get rid of such as tires; we may want to impose a fee of so much for a tire or battery, refrigerator, box spring etc., which are difficult materials that we have to accept and then pay money to get rid of. They do not anticipate getting involved with charging a fee for household garbage, but they cannot guarantee it. Further discussion followed. A motion by Bill Mellett to amend the article to add the following: "after a Public Hearing has been held," seconded by Alan Berman. The vote to amend passed with some opposition. A vote was then taken on the amended article which was as follows: To see if the Town will vote to authorize the Selectmen to adopt rules, including the imposition of fees, for the operation and use of the Lincoln-Woodstock Solid Waste Facility. Such rules shall be jointly adopted with the Lincoln Selectmen after a Public Hearing has been held. Affirmative vote-unanimous.

Article #22 To see if the Town will vote to raise and appropriate the sum of Eleven Thousand Dollars (\$11,000.00) for the Town of Woodstock's share of a Replacement Loader for the Lincoln-Woodstock Solid Waste Facility. So moved by John Mitchell, seconded by Joseph Corbeil. Bonnie explained that this was a 50% share. Affirmative vote-unanimous.

Article #23 To see if the Town will vote to raise and appropriate the sum of Fourteen Thousand Dollars (\$14,000.00) for the Town of Woodstock's share for Monitoring Wells for the Lincoln-Woodstock Solid Waste Facility. So moved by Warren Priest, seconded by Jean Chaisson. Affirmative vote-unanimous.

Article #24 To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand dollars (\$25,000.00) for the purchase of land for a Fire Station. So moved by John Mitchell, seconded by Fred Mellett. Affirmative vote-unanimous.

Article #25 To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for Civil De-

fense. One Thousand Dollars (\$1,000.00) from a State or Federal Grant, and Two Thousand Dollars (\$2,000.00) to be raised by taxes. So moved by Brian Ganey, seconded by Dan Barry. A short discussion followed as to what this money is used for. Affirmative vote-unanimous.

Article #26 To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to be added to the Capital Reserve Fund for the revaluation of the Town, this fund being previously established. So moved by Gary Rolph, seconded by Charles Harrington. Affirmative vote-passed with some opposition.

Article #27 To see if the Town will vote to authorize the Selectmen to take an option on any and all lands which may, in the opinion of the majority of the Board of Selectmen, be in the best interest of the Town of Woodstock and do all things incidental thereto. So moved by Bill Mellett, seconded by Ernie Holtzman. Bonnie Ham explained that this would enable the Town to take an option on land, but does not include any funds; that the Selectmen would then have to come back to the Town for financing, either through a Special Town Meeting or at the Annual Meeting. The authority would prove useful, for instance, on the purchase of land for the Fire Station. Affirmative vote-unanimous.

Article #28 To see if the Town will vote to adopt the provisions of RSA 31:105, which provides indemnification for Municipal Officers and Employees for personal financial loss arising from suit or claim of negligence or other act resulting in accidental injury or damage or destruction of property if the indemnified person was acting in the scope of his/her employment or office. So moved by Gary Rolph, seconded by Fred Mellett. A short discussion followed. Affirmative vote-unanimous.

Article #29 To see if the Town will raise and appropriate the sum, not to exceed Sixty Thousand Dollars (\$60,000.00), to stabilize the East Branch of the Pemi River along the property of R. Jones and M. Gessner. (by petition) So moved by Rockland Jones, seconded by Brian Beaudin. Rockland Jones explained what had happened with the river and how it was affecting his property. That developers on either side of him had stabilized the riverbank and left the middle with nothing for protection. The conservation experts said if the middle is not stabilized along with the rest of it that it would do no good at all.

Bill Albrecht said that this was not recommended by the Budget Committee as they did not feel it was fair to ask the taxpayers to put that amount of money into two parcels of property. They have tried to avoid these types of things and dollar-wise, this was not the best for the Town. Brian Beaudin questioned the fact that it had been said by Mr. Jones that it was the Town's fault that this was eroding because of a dike constructed to protect the Sewer Treatment Plant. Bill Mellett explained that it was not the Town's fault; that when the dam in Lincoln went out, it flooded the treatment plant and the only thing that was done was to put back what was there before. Further discussion followed concerning the possibility of acquiring ledge and the fear of setting a precedence. Vote-the article was defeated with some opposition.

Article #30 To see if the Town will vote to adopt the following ordinance: Vehicle Parking Ordinance. Section I. A. No person shall park any vehicle on either side of any public street in the Town of Woodstock, between the hours of 2:00 a.m. and 6:00 a.m.; from November 1 to April 1 vehicles will be towed at owner's expense. B. No person shall park any vehicle within the Town right-of-way on Center Street at any time. C. No person shall park any vehicle within the Town right-of-way on Paradise Road, between Main Street and Young Street at any time. D. No person shall park any vehicle within the Town right-of-way on School Street between Main Street and Bell Street, except when attending church activities. E. No person shall park any vehicle on the pavement on U.S. Route 3, from where Route 3 crosses Lost River to the Alpine entrance, in excess of two hours. F. Any vehicle left on any public street or in the Municipal Parking Lot for more than seventy-two (72) hours, unless with written permission by the Board of Selectmen, shall be towed away at the owner's expense. G. No delineated parking spaces on Main Street may be occupied by any object other than a motor vehicle. Section II. Any person found to be in violation of this ordinance shall be fined Ten Dollars (\$10.00) for the first offense and Twenty-five Dollars (\$25.00) for any subsequent offense. So moved by Bill Albrecht to accept Article 30 as printed, seconded by Bonnie Ham.

Bonnie made a motion to amend this article to add another paragraph to be lettered H, and is as follows: "No person shall park any vehicle on the paved portion of Courtney Road from Main Street to Clermont's driveway. Seconded by Bill Mellett. Vote on amendment-affirmative-unanimous.

Stan made a motion to delete Section G, seconded by Gary Rolph. Stan explained that this was done for scheduled buses to get them off from the street and the people on the buses also frequented other stores on the Main Street. Concern was expressed by Pat Timbury that this could have a detrimental effect on the Funeral Home also. Vote on amendment-Yes-18; No-16. Vote carried to delete Section G.

Neil Wilson made a motion to amend Section C to read as follows: "No person shall park any vehicle on the paved portion of Paradise Road or the sidewalk on Paradise Road between Main Street and Young Street at any time", seconded by Brian Beaudin. Vote on the amendment-affirmative-unanimous.

Judy Boyle made a motion to amend Section B to read as follows: "No person shall park any vehicle within the delineated lines on Center Street at any time", seconded by Sally Boyle. Vote on amendment-affirmative-unanimous.

Vote was taken on Article 30 as amended as follows:

Article #30 To see if the Town will vote to adopt the following ordinance: Vehicle Parking Ordinance. Section I. A. No person shall park any vehicle on either side of any public street in the Town of Woodstock, between the hours of 2:00 a.m. and 6:00 a.m.; from November 1 to April 1 vehicles will be towed at owner's expense. B. No person shall park any vehicle within the delineated lines on Center Street at any time. C. No person shall park any vehicle on the paved portion of Paradise Road, or the sidewalks on Paradise Road, between Main Street and Young Street at any time. D. No person shall park any vehicle within the Town right-of-way on School Street between Main Street and Bell Street, except when attending church activities. E. No person shall park any vehicle on the pavement on U.S. Route 3, from where Route 3 crosses Lost River to the Alpine entrance, in excess of two hours. F. Any vehicle left on any street or in the Municipal Parking Lot for more than seventy-two (72) hours shall be towed away at the owner's expense. The Selectmen may grant exception by prior written permission. G. No person shall park any vehicle on the paved portion of Courtney Road from Main Street to Clermont's Driveway. Section II. Any person found to be in violation of this ordinance shall be fined Ten Dollars (\$10.00) for the first offense and Twenty-five Dollars (\$25.00) for any subsequent offense. Affir-

mative vote-unanimous. (Please note that Section G was deleted and therefore Section H, which was added, became Section G. Deanna MacKay, Town Clerk)

Article #31 To see if the Town will vote to adopt the following ordinance: Public Vendors. Section I. A. No person shall engage in the sale of merchandise, or the sale or serving of any type of food or drink, upon any public way, including the sidewalks, or from a vehicle parked on any public area in the Town of Woodstock without the express written consent of the Board of Selectmen. B. No person shall attempt to sell merchandise of any kind from door-to-door nor solicit subscriptions to or donations for magazines or any type of publication without first obtaining permission to do so from the Chief of Police. Section II. Any person violating this ordinance shall be fined not more than One Hundred Dollars (\$100.00). So moved by Gary Rolph, seconded by Dan Barry. Vote-affirmative-unanimous.

Article #32 To see if the Town will vote to adopt the following ordinances: Loitering. Section I. No person or persons shall loiter on any public street, sidewalk, parking area, or public park within the Town of Woodstock, in such a manner as to impede pedestrian traffic on said public street, sidewalk, parking area or public park, or in such a manner as to partially or completely obstruct free ingress or egress to or from the entrance of any business establishment, apartment building, or private dwelling adjacent to such public street, sidewalk, parking area or public park. Section II. Any person violating this ordinance shall be guilty of a violation, punishable by a fine of not less than Fifty Dollars (\$50.00) and not more than One Hundred Dollars (\$100.00) for an initial offense, and the fine shall be One Hundred Dollars (\$100.00) for each subsequent offense. So moved by Charles Harrington, seconded by Pat Timbury. Vote-affirmative-unanimous.

Article #33 To see if the Town will vote to adopt the following ordinance: Streets and Sidewalks. Section I. It shall be unlawful for any person to conduct any activity on a public street, sidewalk, municipal parking lot, parks, commons and public swimming holes, including Mirror Lake, that would tend to create a public nuisance or otherwise unreasonably interfere with the public use of the same areas and facilities. Section II. Any person found in violation of this ordinance shall be fined not more than Fifty Dollars (\$50.00) for the first offense and not more than One Hundred Dollars (\$100.00) for each subsequent offense. So moved by Mrs. Colangelo, seconded by Gary Rolph. Affirmative vote; No-1.

Article #34 To see if the Town will vote to adopt the following ordinance: Public Drinking. Section I. No person shall consume or have in his possession at any time alcoholic beverages or alcoholic liquors (as defined in N.H. RSA 175:1) in an open container, upon any public street, sidewalk, park, playground, or other public way, within the Town of Woodstock; however, upon written application by a person or organization, the Board of Selectmen may waive the provisions of this ordinance for such times and locations as the board deems advisable. Section II. Any person found in violation of this ordinance shall be punished by a fine not exceeding One hundred Dollars (\$100.00) for each offense. So moved by Jennifer Mellett, seconded by Bill Albrecht. A motion was made by Gary Rolph to amend Section I to delete everything after the Town of Woodstock, seconded by Bob Bujeaud. Vote on amendment, affirmative. A vote was then taken on Article 34 as amended as follows:

Article #34 To see if the Town will vote to adopt the following ordinance: Public Drinking. Section I. No person shall consume or have in his possession at any time alcoholic beverages or alcoholic liquors (as defined in N.H. RSA 175:1) in an open container, upon any public street, sidewalk, park, playground, or other public way, within the Town of Woodstock. Section II. Any person found in violation of this ordinance shall be punished by a fine not exceeding One Hundred Dollars (\$100.00) for each offense. Vote-affirmative-unanimous.

Article #35 To see if the Town will vote to adopt the following ordinance: Mirror Lake Beach. Section I. A. It shall be unlawful for the owner or custodian of any dog to bring or permit such dog upon Mirror Lake Beach or in the water thereof, whether such dog is restrained or unrestrained. B. It shall be unlawful for any person to drink any type of alcoholic beverage on said beach or in or on the water of Mirror Lake. C. It shall be unlawful to kindle any open fire at any time on the beach. D. It shall be unlawful for any person to use the beach or waters adjacent to the beach between the hours of 10:00 p.m. and 6:00 a.m. Section II. For the purposes of this ordinance, Mirror Lake Beach shall be defined as the area bounded as follows: Beginning at a point on the Westerly side of the access road, 186 feet North of its junction with Mirror Lake Road and 225 feet, more or less, from the edge of the lake; thence Easterly along a line approximately parallel with the lake shore, 430 feet to the edge of the outlet; thence North-

erly along the Westerly limit of said access road 225 feet, more or less, to the point of beginning. Section III. Any person found in violation of this ordinance shall be fined not more than Fifty Dollars (\$50.00) for the first offense, and not more than One Hundred Dollars (\$100.00) for any subsequent offense. So moved by Sebastian Benza, seconded by Warren Priest. Sebastian Benza requested that a sign be put up at the beach stating the rules and regulations of this ordinance. This was agreed to by the Selectmen. Alan Berman made a motion to delete Section D, seconded by Ernie Holtzman. Vote on amendment-Yes-15: No-20. Amendment to delete Section D defeated. Vote on Article 35, affirmative with some opposition.

Article #36 To see if the Town will raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) for Professional Engineering Services, if needed. So moved by Charles Harrington, seconded by Edith Chaisson. Affirmative vote with some opposition. Stan Hilliard made a motion to reconsider, seconded by Pat Timbury, vote in the affirmative. Stan Hilliard made a motion to amend and add: "said sum to be added to the Town Budget of Officers' Expenses," seconded by Pat Timbury. Vote on the amendment, affirmative. The vote was then taken on the amended article which read as follows: To see if the Town will raise and appropriate the sum of Four Thousand Dollars (\$4,000.00) for Professional Engineering Services, if needed, said sum to be added to the Town Budget of Officers' Expenses. Vote on the amended Article affirmative, unanimous.

Article #37 To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same. Motion made by Bill Albrecht to raise and appropriate the sum of \$1,889,484.00, for the ensuing year and make appropriation of the same. Seconded by Gary Rolph. This amount deletes item #83 in the budget and adds \$4,000.00 from Article 36. Vote in the affirmative, unanimous.

Article #38 To transact any other business that may legally come before the meeting. Motion made by Gary Rolph to direct the Selectmen to publically recognize Mr. Fadden for 40 years of service to the Town as selectman, seconded by Bonnie Ham. Vote in the affirmative-unanimous.

Brian Beaudin asked about further discussion pertaining to the vote on zoning. The Moderator said that no motion was made for consider-

ation and that he declared the vote an illegal vote. Brian said he was under the impression that it could be brought up anytime as the Moderator left it for the consideration of the voters. The Moderator said there is no zoning and if the people so desire they can take it to another meeting which is properly warned. The Moderator ruled that Brian could not make a motion for reconsideration, that a majority of the people had left. Further discussion followed concerning the zoning vote and the fact that 266 voters voted which is a very high voter turn out. That if a Special Meeting were held there would probably be a lesser number of people voting. Brian made a motion that if a Special Meeting is held, that there be a guaranty that there should be a number of people voting equal to the number of people voting at today's meeting. Brian Beaudin questioned whether anyone should be able to vote on an issue that affects them personally. Motion was made to adjourn at 1:18 a.m. by Deanna MacKay, seconded by Stan Hilliard.

Respectfully submitted,
Deanna MacKay
Town Clerk

MINUTES OF SPECIAL TOWN MEETING
Woodstock, New Hampshire
June 7, 1988

— — — — —

The meeting was called to order at 7:30 P.M. by Moderator D. Kenneth Chapman. He welcomed everyone to the meeting and explained that there was a procedural error with the reconsideration vote taken at Town Meeting in March on this same article, the vote should have been taken seven days later not that same night. He then noted the rules to be followed: no one is allowed to speak unless recognized by the Moderator, speaker must stand and identify himself. In order to speak one must be a registered voter, unless the meeting gives permission for anyone to speak.

Article #1 To see if the Town will vote to raise and appropriate the sum not to exceed Three Hundred Thousand Dollars (\$300,000.00) for construction of a new Town Office Building, such sum to be raised by the issuance of a serial bonds or notes under and in compliance with the provisions of the Municipal Finance Act, N.H. RSA 33:1 et seq., as amended; to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the rate of interest thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interest of the Town of Woodstock, and pass any vote relating thereto. So moved by Charles Harrington, seconded by William Albrecht. Budget Committee Chairman William Albrecht presented a possible floor plan, he explained that it was just a concept, a full set of plans done by an architect would have cost approximately \$15,000 to \$25,000 and the building committee felt that it would be best to go with a design-build package. He explained that the total size of the building was 100x60' and would house the Town Clerk's office, library, police department, meeting room and two offices which could be used by the Selectmen and Building Inspector. The meeting room would accommodate about 35-40 people and the parking area would hold about 35 cars. Wayne Higgins questioned as to why we did not increase the size and include a room large enough to hold Town Meeting there. Bill explained that it would increase the cost by approximately \$50,000 to \$75,000 to do that. If that was what was wanted then perhaps someone should amend the budget. Stan Hilliard, selectmen, stated that the Board of Selectmen unanimously

agree with the need and the concept. A short discussion followed concerning handicapped access and sizes of different areas. The polls were opened at 7:56 P.M. for a secret written ballot. The polls closed at 8:58 P.M. upon motion by Stan Hilliard, seconded by Bill Albrecht. Yes-53; No-2.

Motion to adjourn at 9:10 P.M. by Bonnie Ham, seconded by Francis McCarron.

Respectfully submitted,
Deanna MacKay
Town Clerk

MINUTES OF SPECIAL TOWN MEETING
Woodstock, New Hampshire
November 22, 1988

— — — — —

The meeting was called to order at 7:20 P.M. by Moderator Pro Tem William Mellett. Bill was sworn in by Town Clerk, Deanna MacKay, to temporarily replace D. Kenneth Chapman. The rules of the meeting were given. No one is allowed to speak unless recognized by the Moderator, the speaker must stand and identify himself. In order to speak one must be a registered voter, unless the meeting gives permission for anyone to speak.

Article #1 To see if the Town will vote to adopt the following “yield sign” ordinance in accordance with RSA 47:17. Pursuant to New Hampshire RSA 47:17 the following town roads will have “yield signs” erected at the locations specified below:

1. On Young Street at the intersection with Paradise Road.
2. On Young Street at the intersection with Bell Street.
3. On Liberty Street at the intersection with Paradise Road.
4. On Bell Street at the intersection with Paradise Road.
5. On Sun Dance Drive at the intersection with Snow King Drive.
6. On Snow King Drive at the intersection with Sun Dance Drive.

Anyone violating this ordinance shall be subject to a fine of \$55.00 in accordance with the provisions of RSA 265:30. So moved by Wilfred Ayotte, seconded by John Maynard. A motion made by Deanna MacKay to delete #5 and #6 of Article I, seconded by Bill Albrecht, no discussion. Affirmative vote on the amendment, unanimous.

A vote was then taken on the amended article.

Article #1 To see if the Town will vote to adopt the following “yield sign” ordinance in accordance with RSA 47:17. Pursuant to New Hampshire RSA 47:17 the following town roads will have “yield signs” erected at the locations specified below:

1. On Young Street at the intersection with Paradise Raod.
2. On Young Street at the intersection with Bell Street.
3. On Liberty Street at the intersection with Paradise Road.
4. On Bell Street at the intersection with Paradise Road.

Anyone violating this ordinance shall be subject to a fine of \$55.00 in accordance with the provisions of RSA 265:30. Affirmative vote—one opposed.

Article #II To see if the Town will vote to adopt the following “stop sign” ordinance in accordance with RSA 47:17. Pursuant to New Hampshire RSA 47:17 the following town roads will have “stop signs” erected at the locations specified below:

1. On Sun Dance Drive at the intersection with N.H. Route 112.
2. On Snow King Drive at the intersection with N.H. Route 112.

So moved by Wilfred Ayotte, seconded by Paul Gilman. Motion by Deanna MacKay to add #5 and #6 from the original article I to Article II, seconded by Bill Albrecht. Affirmative vote on amendment, unanimous. Vote was then taken on the amended article.

Article #II To see if the town will vote to adopt the following “stop sign” ordinance in accordance with RSA 47:17. Pursuant to New Hampshire RSA 47:17 the following town roads will have “stop signs” erected at the locations specified below:

1. On Sun Dance Drive at the intersection with N.H. Route 112.
2. On Snow King Drive at the intersection with N.H. Route 112.
3. On Sun Dance Drive at the intersection with Snow King Drive.
4. On Snow King Drive at the intersection with Sun Dance Drive.

Affirmative vote was unanimous.

Moderator D. Kenneth Chapman arrived and took over control of the meeting. A round of applause was given to Bill Mellett.

Article III To see if the town will vote to adopt the following ordinance:

It shall be unlawful for anyone to keep, on any parcel of land, livestock (cattle, horses, asses, sheep, goats, or pigs) in a total amount greater than three times the number of full acres of land within that parcel. For the purposes of this ordinance, every parcel of land is deemed to have a minimum of one acre.

This ordinance will become effective upon passage. Anyone found in violation of this ordinance shall have twenty days after written notification by the Town of non-compliance to remedy the violation. Thereafter, anyone continuing to violate this ordinance shall be fined not more than \$50.00 per day.

So moved by Donald Ayotte, seconded by Yvonne Ayotte.

A lengthy discussion followed concerning one particular parcel of land on Route 3 in Woodstock. Neighbors expressed their concern about the care of the horses and the smell coming from the parcel as well as having horse manure up and down the road. The trespassing on other peoples property and just being a general nuisance was men-

tioned. It was pointed out by Attorney Robert Keating that no one would be grandfathered unless specifically exempted. Health issues were also discussed. The Moderator read a letter from the State Vet to the Board of Selectmen concerning the particular land on Route 3 in Woodstock. After further discussion, a secret ballot was taken. The vote was in the affirmative, Yes-17; No-13.

Respectfully submitted,
Deanna MacKay
Town Clerk

STATE OF NEW HAMPSHIRE

— — — — —

To the inhabitants of the Town of Woodstock, in said State, qualified to vote in Town and State affairs:

You are hereby notified to meet at the Woodstock Town Hall in said Woodstock, on the fourteenth day of March next, being the second Tuesday of March, at ten o'clock in the forenoon, (the polls are to open at 10:00 A.M. and may not close prior to 6:00 P.M.; business meeting to be held at the Town Hall at 7:30 P.M.) to act upon the following:

Article 1. To choose all necessary Town officers for the year ensuing.

Article 2. To see if the Town will vote to authorize the Selectmen to sell property taken on tax titles and further authorize the Selectmen to sell any other personal property owned by the Town which is no longer used for municipal purposes, and in every instance sale shall be by public auction or advertised sealed bid.

Article 3. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

Article 4. To see if the Town will vote to authorize the Selectmen to apply for, accept and expend, without further action by Town Meeting, money from the State, Federal or other governmental unit or private source that may become available during the fiscal year, in compliance with RSA 31-95-b.

Article 5. To see if the Town will vote to adopt the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relating to playing beano in the Town of Woodstock, and that the following question be placed upon the ballot to be used at said meeting: "Shall the provisions of Chapter 287 of the Revised Statutes Annotated, as amended, relative to playing games of beano, be adopted in the Town?"

Article 6. "Are you in favor of the adoption of the Zoning Ordinance as proposed by the Planning Board?" (Ballot vote required)

Article 7. To see if the Town will vote to oppose any State or Federal legislation or administrative action designating the Pemigewas-

set River, from its source to New Hampton, as a Wild and Scenic River, and further, to support exclusion of the River from the Federal Wild and Scenic Rivers program study.

Article 8. To see if the Town will vote to change the name of the existing Highway Department Vehicle Acquisition Capital Reserve Fund, established at Town Meeting, 1988, to the Highway Department Heavy Duty Vehicle Acquisition Capital Reserve Fund.

Article 9. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) to be placed in the Highway Department Heavy Duty Vehicle Acquisition Capital Reserve Fund.

Article 10. To see if the Town will vote to raise and appropriate the sum of Twenty Three Thousand Five Hundred Dollars (\$23,500.00) for the purchase of a one ton truck with plow and sander for the Highway Department, said sum to be withdrawn from the Highway Department Heavy Duty Vehicle Acquisition Capital Reserve Fund.

Article 11. To see if the Town will vote to change the name of the existing Fire Department Vehicle Acquisition Capital Reserve Fund, established at Town Meeting, 1988, to the Fire Department Truck Capital Reserve Fund.

Article 12. To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) to be placed in the Fire Department Truck Capital Reserve Fund.

Article 13. To see if the Town will vote to raise and appropriate the sum of Eighteen Thousand Dollars (\$18,000.00) for the purchase of a van for the Fire Department, said sum to be withdrawn from the Fire Department Truck Capital Reserve Fund.

Article 14. To see if the Town will vote to raise and appropriate the sum of Five Thousand Three Hundred Thirty Six Dollars (\$5,336.00) of interest on Revenue Sharing Funds and transfer said sum to the General Fund.

Article 15. To see if the Town will vote to raise and appropriate the sum of Sixty Three Thousand Dollars (\$63,000.00) for the reappraisal of the Town and to authorize the withdrawal of Forty Two Thousand Dollars (\$42,000.00) plus accrued interest from the Capital Reserve Fund created for that purpose, the balance to be raised through general taxation.

Article 16. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) from the Water Tap Fee Account for water meter installation.

Article 17. To see if the Town will vote to raise and appropriate the sum of Thirty Seven Thousand Eight Hundred Thirty Five Dollars (\$37,835.00) from the Water Tap Fee Account to be applied to the Long Term Water Bonds.

Article 18. "Shall we adopt the provision of RSA 72:43e for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years of age up to 80 years, \$15,000; for a person 80 years of age or older, \$20,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000, or if married, a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person's residence." (By petition) Ballot vote required.

Article 19. "Shall we adopt the optional adjusted elderly exemptions from property tax? The optional exemptions, based on assessed value, for qualified taxpayers shall be as follows: for a person 65 years of age up to 75 years, \$20,000; for a person 75 years of age up to 80 years, \$30,000; for a person 80 years of age or older, \$40,000. To qualify, the person must have been a New Hampshire resident for at least 5 years; own the real estate individually or jointly, or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, a taxpayer must have a net income of less than \$10,000, or if married, a combined net income of less than \$12,000; and own net assets of \$30,000, or less; excluding the value of the person's residence." (By petition) Ballot vote required.

Article 20. To see if the Town will vote to raise and appropriate the sum of Forty Thousand Dollars (\$40,000.00) for engineering services for a sewer line for Lost River Road.

Article 21. To see if the Town will vote to raise and appropriate the sum of Eighty Five Thousand Dollars (\$85,000.00) for the purchase of the land and buildings adjacent to the new Town Office Building,

said sum to be funded by long term notes or bonds over an eight (8) year period. (Ballot vote required)

Article 22. To see if the Town will vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000.00) for an Ash Quench System.

Article 23. To see if the Town will vote to authorize the Selectmen to take an option on any and all lands which may, in the opinion of the majority of the Board of Selectmen, be in the best interest of the Town of Woodstock and do all things incidental thereto.

Article 24. To see if the Town will vote to raise and appropriate the sum of Thirty Five Thousand Dollars (\$35,000.00) for the purchase of the Gordon Carkin property on Route 3, for conservation purposes, said sum to be raised as follows: Twenty Thousand Dollars (\$20,000.00) from private donations and Fifteen Thousand Dollars (\$15,000.00) from State matching funds; and to authorize the Selectmen to apply for and accept the State matching funds under the N.H. Land Conservation Investment Program (LCIP), RSA 221-A, in an amount up to \$15,000.00 for the purpose of acquisition of the fee or lesser interest in conservation land. This appropriation is contingent upon receipt of the private donations and the matching State grant from LCIP.

Article 25. To raise such sums of money as may be necessary to defray Town charges for the ensuing year and make appropriations of the same.

Article 26. To transact any other business that may legally come before the meeting.

Given under our hands and seal, this 24th day of February, 1989.

RECREATION DIRECTOR'S REPORT

It has long been my desire to serve the Towns of Lincoln and Woodstock in the capacity of Recreation Director.

In the summers of 1980 and 1981 I had the distinct privilege to serve as Director for the Mustard Seed Youth Center. This program was instituted by Father Paul Pouliot and operated in the basement of Saint Joseph's Parish. During this time it became apparent to me that the need for positive social interaction could be attained through various forms of recreation and sustained by an enhanced sense of community spirit.

In my first year as Recreation Director I have seen a slow but steady increase in activity growth and community participation. These two factors are obviously the fulcrum for any successful recreation program.

The community spirit our business people offered far exceeded my expectations. Their understanding of our need for their involvement coupled with their generosity greatly enhanced our program quality.

Some work has also been accomplished at the Kanc Recreation Center that our community is responsible for. Back in the fall we had a work day in which over thirty people showed up to get the center ready for winter. The hockey rink was assembled, over six cords of wood was cut, the buildings were stained, a wood shed addition to the bottom rope hut was erected, brush and trees were cut from the slope, all window trims were painted, snow fencing was put in place, the warming hut entrance way was finished off, and a great deal more was accomplished. I would like to thank the Satter Company for one of the best ball fields in the state - complete with dugouts, water bubblers, back fencing and a 235' home run fence. The privacy fence that runs along the road coupled with the shade trees in our picnic grove are also donated by the Satter Company as well as our paved parking lot. These features alone could have cost our program an exorbitant amount of money and much time and effort. We can't find any way to express the depth of our thanks to the Satter Company.

Looking to the needs of our program's future, I would like to see the Kanc Ski Slope become a reliable winter recreational facility. As it stands now, the ski operation is more of a liability than an asset only

because the effort needed to upgrade and maintain the hill has not proved adequate. Loon Mountain has offered their services to us in the way of mechanical and electrical work and they have repaired our tired machinery a number of times already. To alleviate the problem of consistency we are looking into an electric motor that has been offered to us as a donation. Should the motor be in good running condition we will install it this summer with the old motor as back up.

Along with all the help Loon has given us, they have also donated a 300 hp air compressor to enable us to make snow in the future.

In closing I would like to add that as a community we must continue to grow in the areas of voluntary participation and actual physical involvement. As volunteers, your time is of great value to our programs success. As a participant, your benefits are self evident. Below are the percentages of participation in some of our activities from both Towns along with a few of the health factors that I hope will encourage you to recreate:

Summer Camp:	No. Woodstock 40%	Lincoln 60%
Fall Dance Class	No. Woodstock 40%	Lincoln 60%
Karate:	No. Woodstock 50%	Lincoln 50%
Pee-Wee Soccer:	No. Woodstock 29%	Lincoln 71%
Pee-Wee Baseball:	No. Woodstock 43%	Lincoln 57%
Pee-Wee Basketball:	No. Woodstock 38%	Lincoln 62%

Exercise, in all its variations, be it walking, running, skiing, hiking, biking, softball, volleyball, karate, etc., will bring about positive changes in your body such as:

1. Decrease elevated blood pressure
2. Decrease cholesterol levels
3. Reduce stress up to 40%
4. Creates a stronger cardiovascular system
5. Promotes better circulation which increases energy levels and reduces mental fatigue.

Below are the programs that were offered by the Recreation Department over the past year. Some did well and others did not. This year we will again offer you the chance to participate in different activities and I sincerely hope you will make the time to improve your health and your community.

Swimming lessons, karate lessons, adult and children's ballet lessons, men's basketball, men's & women's indoor soccer, hiking club, summer camp for kids, Pee-Wee soccer, basketball and baseball, Senior Citizen's trips, 1st Annual Mountain Bike Race at Loon Mountain, Corona Ski Race sponsored by Rodger's Ski Outlet, skiing at Kanc Ski Slope, open gym for the high school, family swim time at Loon Village, Town softball, volleyball, men's walleyball and aerobics.

Respectfully submitted,
TONY MURE
Recreation Director

POLICE DEPARTMENT REPORT

— — — — —

In October of 1988 we moved into our headquarters in the new Town Building located on Lost River Road. Many townspeople toured the building at the open house held in November and we would be happy to show our facilities to anyone who would like to come in.

Barry MacDonald left Woodstock in November to take a full time position in Woodsville. Barbara Mack moved from her position as a Special Officer to a full time position. Barbara is the first woman to serve as a full time officer in Woodstock. She will be attending the ten week training program at the Police Academy in the near future. Tony DeCosta, formerly of the East Providence, Rhode Island Police Department, has come to Woodstock as a full time officer. He will also be attending the Academy in Concord.

1988 was an extremely busy year for the department as the statistics below will show.

Town

Part I Offenses	1988	1987	1986
Burglary	19	16	20

NEW HAMPSHIRE HUMANE SOCIETY
Laconia, N.H.
 — — — — —

Office of Selectmen
 Town of Woodstock
 Woodstock, N.H. 03262

Dear Selectmen:

The 1988 totals of the number of animals brought to the N.H. Humane Society shelter from your town are as follows:

By your Animal Control Officer:

Dogs and Puppies	11
Cats and Kittens	2
	—
Total	13

From Local Residents:

Dogs and Puppies	18
Cats and Kittens	5
	—
Total	23

Non-Domestic Animals:	0
-----------------------	---

Total Number of All Animals Received:	36
---------------------------------------	----

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1988. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442-A, the Rabies Control Act for holding stray dogs.

Every town has stray animal problems. We encourage your town and especially your Animal Control Officer, to use our services more in 1989.

Sincerely,
 FRITZ T. SABBOW
Executive Director

REPORT OF THE NORTH COUNTRY COUNCIL

North Country Council observed its sixteenth year of successful operation in 1988. The Council, chartered under NH RSA 36:45, provides non-profit local and regional planning assistance to member municipalities. The Board of Directors determined that last year's work program would focus on community planning, economic development, solid waste, transportation and housing. The Council maintains four standing committees which monitor local issues and determine Council policy. Overall, the Council's major objective is to work with North Country towns in solving local and regional problems.

In **Woodstock**, the Council provided technical assistance to the Planning Board regarding building codes and zoning amendments. Additionally, Council staff administered solid waste disposal fees and provided information on septage disposal to Town officials. **Woodstock's** housing improvement program, which is administered by NCC, is scheduled to rehabilitate up to thirty-two dwellings units before its completion in June 1989. To date, the deficiencies of more than twenty residences have been addressed through this program.

Community planning assistance continues to dominate our staff resources. New state mandates and rapid residential and commercial growth throughout the region placed an increasing burden on local planning and zoning boards in 1988. Regional workshops, technical bulletins and newsletters, ordinance review and update, as well as review of specific subdivision and site plan applications are a sampling of the myriad services performed this year for our membership. The Council also co-sponsored the popular Municipal Law Lecture Series which reviewed new case law and other specific areas of legal interest to local officials.

In addition, grant writing and grant administration continue as important components of the Council's work program. Currently, NCC staff members are working in twelve towns administering fifteen Community Development Block Grant programs. These projects include feasibility studies for local infrastructure needs, water and sewer construction projects and targeted housing rehabilitation programs for income eligible residents.

In summary, it is important to understand that the North Country Council is organized and administered for the benefit of its constituents, local town governments. Our future success is, in large part, contingent upon your participation in Council activities. We rely on and appreciate involvement of town officials and residents and look forward to assisting your town this coming year.

WHITE MOUNTAIN MENTAL HEALTH & DEVELOPMENTAL SERVICES 1988 Director's Report

During this past year, our Agency has attempted to increase our ability to serve the most impaired clients in our communities. We have expanded many of our support services (respite services, apartment supervision) and our vocational programs to those clients. The intent has been to assist mentally ill and developmentally impaired clients to attain a more stable and normal existence in the community. We feel that our efforts have been successful. We have almost doubled our respite and apartment supervision service. Furthermore, we have placed over 34 clients into independent jobs through our Transitional Employment Program.

We were also successful in opening a Developmental Service program in Pike to serve clients in the Woodsville, Warren, Pike and Piermont areas. During our first year of operation, we were able to serve nine (9) clients.

During this next year, we would like to target two new projects: first, to open a small (six clients) home in Littleton for mentally ill clients. We have already secured Federal support for this project for the next five years. Secondly, we would like to expand our respite service by establishing a respite house in our catchment area. The second project is only in the beginning stages and may extend over a two-year period of time to develop.

The following is a brief summary of our work during this past year.

Mental Health Services - We operate one full-time and three part-time offices. The full-time office is located in Littleton at 16 Maple Street. The part-time offices are located in Woodsville at Woodsville Clinic, in Lincoln at the Lin-Wood Medical Center, and in Lancaster at Weeks Memorial Hospital.

Last year, we saw 739 individuals.

- 129 children age 0-17
- 523 adults age 18-59
- 87 elderly age 60 +
- 53% of our service was through individual or conjoint

(couples) therapy

- 27% of service was through group therapy
- 13% of service was through family therapy
- 7% of service was through physician service (psychiatrist).

We continue to offer an array of services including: emergency, drug and alcohol, case management, inpatient, and partial hospitalization.

Developmental Services

- Early Intervention - Home based service of 0-3 year old children who are delayed in their development. Services include: screening, assessment, treatment, and referral. Last year, we served over forty-five families.

- Day Habilitation Program - Provides instruction to our most severely impaired adult population. The program works in conjunction with their residential programming as well as providing training and instruction in self care skills, pre-vocational skills, paid work, and other therapeutic services such as speech therapy and physical therapy. This program has been primarily used by former Laconia State School residents; however, we have had community clients who have been referred by the local school systems. Last year, we served ten (10) clients.

- Supported Employment - Provides training, instruction, and work adjustment for vocational and job needs. Paid work opportunities for the individuals can take place either in the community or in the Workshop itself. The programs have been successful in meeting their objectives and are popular with the individuals who have participated. Last year, we served twenty-four (24) clients. Two clients were successfully placed. Seventeen (17) are currently employed, and five (5) have withdrawn from the program.

We are grateful for your past support of our programs and look forward to continuing to serve you in the future.

Respectfully submitted,
DENNIS C. MACKAY
Area Director

MOOSILAUKE PUBLIC LIBRARY

Annual Report - 1988

1988 was an eventful year for the Moosilauke Public Library. In the Fall it found both a new librarian and a new home. Spacious, well-lit quarters in one corner of the new Woodstock Town Building were a wonderful reward for the hard work of packing and moving 6,000 books.

The Library must express thanks to:

- Its three trustees: Judy Boyle, Deborah Batchelder, and Debby Showalter; for dedicated packing and planning.
- Bill Mellett, the town crew, and the Volunteer Fire Department; for completing the move.
- "Kippy" Ayotte, for use of his equipment.
- The many local businesses, for contributing boxes.
- Fadden Construction for donating our library counter.

A 1989 fund raising campaign to furnish our library has begun. Thanks to all who have already contributed money and other needed items.

Along with an increased number of patrons the library has been pleased to be the recipient of two grants since its move.

1. From the MacArthur Foundation - PBS videos to be available for loan to patrons.
2. From the N.H. State Library through the School of Lifelong Learning of the University of New Hampshire system - a DEC "rain-bow" computer to access the N.H. automated information system.

Our goal is to offer personalized service. We have had increased Inter-library loan and reference use of our new library and are pleased we will be part of the expanded N.H. van route for libraries at the end of February (giving us access to most of the academic and public libraries in the state.) We plan to expand both our White Mountain Collection of books and our town's historical archive. We have been pleased to accept four pieces of White Mountain art from Eleanor Parker and Deborah Batchelder and selected White Mountain books

from Mr. Richard Hamilton.

Respectfully submitted,

JEAN M. ROLPH

Librarian

New library phone: 745-9971

New library hours: Monday, 11:00 a.m.-7:00 p.m.; Thursday, 10:00
a.m.-5:00 p.m.; Saturday, 10:00 a.m. to 3:00 p.m.

REPORT OF THE WOODSTOCK PLANNING BOARD

In 1988, the Planning Board saw less activity due to the slowdown in development.

During the year the Board approved 2 small subdivisions and also approved the entire High Birches project with 436 total units.

Also, during the year the Board hired a secretary so that all of the members can concentrate on the business at hand.

The Zoning Ordinance was voted on at the March Town Meeting, but, due to some irregularities regarding the vote, the Board decided to revote the entire Ordinance at the 1989 regular Town Meeting. In preparation for the upcoming vote, the Ordinance has been simplified.

There remain vacancies on the Board, and, if Zoning should pass, there will be people needed for the Board of Adjustment. If you are interested in the future of the Town and have time to spend each month, you might consider being involved.

The Board thanks you for your continued support.

Respectfully submitted,
WILLIAM F. ALBRECHT
Chairman

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

— — — — —

Between July 1987 and June 1988, we experienced more forest fires than normal. The three leading causes of forest fires were again children, fires kindled without written permission of a Forest Fire Warden and debris burning. All causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest tax law may be violated, call your Forest Fire Warden or Concord Forest Protection Headquarters at (603) 271-2217, or local forest ranger.

On January 1, 1989, the Deceptive Forestry Business Practices Law (RSA 224:54) goes into effect. This law, in summary, states that a person is guilty of a misdemeanor if, in the course of buying or selling a forest product, uses a false weight or measure for falsely determining any quality or quantity of a forest product. For more information, contact one of the persons mentioned above.

Forest Fire Statistics - 1988

Number of Fires Statewide	498
Acres Burned Statewide	509.10
Cost of Suppression Statewide	\$78,144.93

JOHN Q. RICARD
Forest Ranger
Canaan, N.H.

WOODSTOCK FIRE DEPARTMENT REPORT

— — — — —

In 1988 we made significant progress in two areas. In the apparatus category, we replaced the old 1963 oil truck we had been using as a tanker with a brand new tank truck. By doing some of the work ourselves and by having the tank manufactured by a local (Morrisville, Vermont) firm, we were able to have a new truck from bumper to bumper within our budget of \$42,000. The Ladies Auxiliary paid for the gold leaf lettering and striping. I think we now have a tanker that rates as good or better than that of any town.

We also purchased land on the southeast side on Main Street for a new Fire Station. Our Fire Department Land Search Committee found the old Joe Davis property available and, much to my surprise and elation, we were able to purchase the land with the amount of money that had been appropriated for that purpose. A committee is now working on what will be most desirable for the new Fire Station.

Fire statistics for 1988 are as follows:

Structure Fires	8
Chimney Fires	4
Vehicle Fires	6
Rubbish Dumpster Fires	7
Forest Fires	0
Mutual Aid	2
Other Responses	5
Total Recorded Incidents	32

Respectfully submitted,
WILLIAM MELLETT
Fire Chief

NORTH COUNTRY HOME HEALTH AGENCY 1988 ANNUAL REPORT AND SERVICE SUMMARY

The North Country Home Health Agency, Inc. is a not-for-profit community service Agency serving twenty-one area communities. We are celebrating our eighteenth year of providing care in the North Country. The Agency's services include intermittent Skilled Nursing Care, Clinics, Physical, Speech and Occupational Therapy, Home-maker/Home Health Aide and Parent/Aide assistance. Town funding is used to help provide these services to individuals and families who do not have insurance or who are only able to afford to pay a portion of the cost of care. All who receive care are asked to contribute towards the cost of that care, if they are able.

In 1988 the Agency expanded programs to include Respite Care for clinets with Alzheimer's Disease and related Disorders and Adult-In-Home Day Care. Both programs are funded by State/Federal money and client fees.

The North Country Home Health Agency, Inc. is proud to continue the tradition of providing quality home care started by the Littleton Community Nurse Association sixty-five years ago. We value the support of the community and commend each of you for your concern for those in need of Home Care.

The North Country Home Health Agency provided a total of 10,175 visits and 28,658 hours of Adult-In-Home Care in 1988. The following service totals were provided in Woodstock during 1988:

	Number of Visits
Home Health Aide	42
Homemaker	51
Skilled Nursing	154

1988 REPORT: LINCOLN COMMUNICATION CENTER

For the year we had a total of 48,821 radio transmissions. These are broken down as follows:

Lincoln Police Department	33,883
Lincoln Fire Department	1,004
Woodstock Police Department	10,727
Woodstock Fire Department	625
Lin-Wood Ambulance	2,157
National Forest Service	375

We had a total of 34,800 telephone calls. These are broken down as follows:

Lincoln Police Department	29,493
Lincoln Fire Department	229
Woodstock Police Department	4,273
Woodstock Fire Department	168
Lin-Wood Ambulance	2,157
National Forest Service	116

The dispatch received 145 alarms. Of those 129 were responded to in Lincoln and 16 were in Woodstock. The dispatch is now monitoring 83 alarms.

The fire departments were paged out 82 times. The Lincoln Fire Department responded to 60 of these and the Woodstock Fire Department responded to 22 of them.

The Lin-Wood Ambulance was paged out 240 times.

One of the new programs we started this year was to keep a total of how many people walked into the Police Station with a question or a problem. We started this program in August 1988. We had a total of 2,097. Of this total dispatch handled 1,440 and the police handled 658. Sometimes they were handled by both departments, of which 170 were handled.

We also have to watch people who were incarcerated in the Lincoln jail, of which there were 162.

We had a change in personnel this year. Ken Welch retired and Greta Briggeman was hired.

Our Good Morning Program is still going strong. We now have 22 of our Senior Citizens in the program.

At this time we would like to thank the residents of Lincoln and Woodstock for their continued support.

Respectfully submitted,
Carol Rannacher,
Chief Dispatcher
Pat Reardon
Joe Trudell
Greta Briggeman
Dispatchers

**CARRI, PLODZIK & SANDERSON
ACCOUNTANTS & AUDITORS
REPORT ON FINANCIAL PRESENTATION**

— — — — —

To the Members of
the Board of Selectmen
Town of Woodstock
Woodstock, New Hampshire

We have examined the general purpose financial statement of the Town of Woodstock, New Hampshire as of and for the year ended December 31, 1987, as listed in the table of contents. Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As described in Note 1B, the general purpose financial statements referred to above do not include the General Fixed Asset Group of Accounts, which should be included to conform with generally accepted accounting principles. The amount that should be recorded in the General Fixed Assets Account Group is not known.

In our opinion, except that omission of the General Fixed Asset Group of Accounts results in an incomplete presentation, as explained in the above paragraph, the general purpose financial statements referred to above present fairly the financial position of the Town of Woodstock, New Hampshire at December 31, 1987, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Our examination was made for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund financial statements listed in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Woodstock. Such information has been subjected to the auditing procedures applied in the examination of the general purpose financial statements and, in our opinion, is fairly stated in all material

respects in relation to the general purpose financial statements taken as a whole.
